Dear Jenn & John,

How are you? I hope all is well and you are doing on well.

I am now from school for December holiday.

How is New York? Is the snow still there like the other time you showed me?

I am doing well here in Kenya despite a heavy rain that is still going on.

I guess Jenn is still working with the babies and taking good care of them.

I just did my National Examination and I am waiting for results. Just pray for me to join a good university to pursue my dreams of becoming a lawyer.

I will always pray for you. God's blessing upon your lives for the sacrifice so as to support me in every way.

Let me wish you a merry X-mas and a happy new year 2020

I love you very much and you are always in my prayer

Best wishes from your daughter, Blanka Adhiambo
