Dear MELVIN

Hi Daddy, how are you? hope so you are doing well
Because I usually pray for you now and then, God
is with you and I know and believe He is going
to expand your territory as the way He expanded
Jabez territory. Me too here in Kenya, I am going
on well that I am working hard to accomplish
my dreams of becoming a Nurse so as I can
save people's life and also save my fellow Orphans
who are suffering. I Thank God because of
you that I am grateful to have you
as my earthly father who has truly
change my life, me too I am will
stretch my hand on others people
to be important in future.

THANKS ALOT AND
MAY LORD BLESS
YOU AND YOUR
FAMILY.
LOVE FROM
Daddy

From your loving Daughter
